TOWHOMSOEVER IT MAY CONCERN

We are pleased to note that the inputs provided by the Dhanahitha team on practical aspects of different financial products and services between 3rd and 6th December, 2024, to our staff and students were found very useful by them. The experienced speakers gave valuable information on various aspects such as types of frauds taking place, how to report the frauds, ways to protect one's own money, eligibility criteria for availing student loans, GST and Income Tax, Banking Ombudsman Scheme, obligations and rights of customers of banks etc. In all about 1200 students and 100 staff members attended these sessions.

We note that this is the way to improve the financial literacy and the best service that can be provided to the society. We wish the team Dhanahitha all the best in their endeavours.

With best wishes
