TO WHOMSO EVER IT MAY CONCERN

The Gayatri Nagar Senior Citizen Welfare Association would like to appreciate the efforts of M/s Dhanahitha in providing financial awareness programme to its members. The talk by Mr. T V Sudhakar on October 31, 2025 was very informative and was found very useful by all the participants. Especially the information on various banking products, care to be taken to avoid financial frauds, steps to be taken when fraud happens in one's account and the estate planning including the details about Will preparation were received with keen interest by the members. Various doubts from members were also answered by Mr. Sudhakar patiently and in detail.

The entire exercise being done by the members of M/s Dhanahitha as a social service is commendable and financial literacy is the need of the hour and it needs to be spread across sections for their benefit. We once again sincerely appreciate and thank the efforts of Mr. T V Sudhakar and M/s Dhanahitha team

(K SURI BABU)
